Sir:

A personal interview was conducted with Examiner Patel on October 20, 2008.

Applicants thank Examiner Patel for the courtesies extended to Applicants' representative during the personal interview. The points discussed are noted below and constitute the Applicants' record of the personal interview.

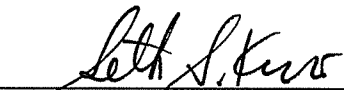

During the personal interview, the rejection of the pending claims over the combination of Purnaveja and Sani was discussed. Specifically, claim 1 was used as an example claim to explain the invention and the scope of the claims to the Examiner, and how the claims are distinguishable over Purnaveja and Sani, either individually or in combination.

No agreement was reached.
